### In Ni'lin Demo Against the Apartheid wall 23.12.2011

the demonstration was met with brutal suppression from the israeli army by using live bullets and rubbers direct against the peaceful protesters.

one guy got shot with a rubber coated steel bullet in the back, and he was treated imediatly. other 6 activists were suffocated from inhaling the tear gas among them 2 fainted.

the demonstrators managed to Make a whole in the concrete wall.

the israeli occupation has built more concrete bases on the land of Ni'lin.
