

## International Youth-Camp in Konstanz – 1st to 10th August 2014

The International Fellowship of Reconciliation (IFOR) turns 100 years old. Since its foundation in 1914, just before the start of the 1st World War, its members who live in many different countries all over the world stand in for peace and justice and resist injustice and war. The IFOR-Centennial is a great opportunity to get in touch with each other and exchange experiences. We are using this opportunity to extend the program with an international Youth Camp. This Camp not only offers the possibility to take part in the program of the Centennial and to establish contacts, in addition there will be workshops to learn about Nonviolence- and Peacework and explore Konstanz and its surrounding areas.
